

About the Danvers Treatment Center

Since 1972, we have been providing detoxification and referral services to men and women from across northeastern Massachusetts and greater Boston.

Our treatment includes safe, medically-supervised detoxification and a transition to the next appropriate level of care.

We individualize each client's treatment plan to best meet his or her needs.

Our caring, competent staff truly care about returning you or your loved one to a healthier lifestyle. We are C.A.R.F. certified and licensed by the Mass. Department of Public Health.

Who We Serve

We work with men and women, age 18 or older. In some cases, we accept clients who are under 18, with a parent or guardian's consent. We work with clients from across northeastern Massachusetts and greater Boston.

Who can refer a client to us?

Many sources refer clients to us, including hospitals, shelters, health care centers and providers, police and the legal system. Some clients self-refer or a family member makes the first inquiry to get their loved one into detoxification treatment.

To refer a loved one or to ask about being admitted, simply call

978-777-2121

and ask for the Admissions Department.
